

GOOD LIFE NEWS

From Our President

Ron and I have had a very busy summer. We left Florida the 3rd week in June and arrived back home on August 31, 2016. Our travels took us to the International Rally in Lewisburg, WV that we mentioned in the last newsletter, then up north as far as Prince Edwards Island in Canada. With our Airstream in tow we met up with 24 other Airstream rigs (48 folks) in Rhode Island. As we toured the Northeast (Rhode Island, Connecticut, Massachusetts, New Hampshire, Maine, Nova Scotia, New Brunswick and Prince Edward Island we saw beautiful surprises, lighthouses galore, informative museums, music played from fiddles and bagpipes, several playhouse shows, whale watching, lobster/muscles/clam dinners, wharfs with 46 foot tides, friendly locals, just to name a few of our adventures.

We highly recommend Airstream Caravans. The knowledgeable Caravan Leaders that scout out the trips have a passion for their position and provide great value to the participants. After all isn't that why we purchased our Airstreams, to make memories and take our rigs on the road for new adventures in the great outdoors?

Our Florida Airstream Unit has some exciting new and tried and true rallies scheduled through the end of the year. If you haven't signed up for the upcoming Blueberry Hill Rally in Bushnell, FL be sure to do that right away. You

CRACKER CHRISTMAS VOLUNTEER AND INSTALLATION RALLY; CHRISTMAS, FL;
NOVEMBER 29 – DECEMBER 5 – 2016

Starting November 29 will be our annual Cracker Christmas Rally. This will be our 18th year assisting Fort Christmas Staff. There is no rally fee for Florida Unit members and affiliate members (fee for other WBAC members is \$16.00), and the fee, if any, includes the following meals: a sub-sandwich dinner on Wednesday evening (bring your own plates and silverware); Thursday dinner catered by Boston Market (everything supplied); Friday dinner, pulled pork plus (please bring a dessert to share to serve 6 – 8 people); Saturday continental breakfast, lunch, and pot luck dinner, meat supplied (bring own table setting, chair, snack table, and a side dish to feed 6 – 8 people); Sunday continental breakfast and lunch, dinner on your own.

Our Thursday evening dinner is our annual Unit dinner followed by the installation of officers for 2017. Florida Unit members, if you can't come for the rally, please try to join us for Thursday's dinner.

Parking is free. Camping is not permitted at Fort Christmas except for our Unit. You will be parked on fairly level ground on a grassy field. You will have water and enough electric amps to keep your batteries charged, and watch TV. Refrigerators and water heaters must be turned to gas only. Please bring extra electric cords, preferably 10-gauge if you have them, an extra 5/8-inch water hose, and a free flowing "Y" hose connector. Mark all your equipment with your WBAC number.

During the weekdays, we assist the employees at Fort Christmas with decorating and cleaning the houses. We may have a few seminars. We are trying to have Zip Dee Awnings and Reese Hitches provide a seminar. Our afternoon happy hours are a great opportunity to get to know your Unit members, and ask questions about your Airstream and the WBAC.

On Saturday and Sunday, one of the largest craft shows in Central Florida happens just steps away from your Airstream, and you will be asked to volunteer for three hours each day as a docent at one of the many restored and reconstructed homes at Fort Christmas. "Cheat sheets" are provided to help you answer questions.

This is a volunteer rally and we depend on having your help through the weekend. No traffic is permitted through the park between 9:00 a.m. and 4:30 p.m. on Saturday and Sunday because of the craft show.

You must register for the rally and tell us on what day you will be arriving and the number in your party. If you are only coming for the dinner on Thursday night, we need to know that too. Registration this year will be by email to the Rally Host, Frank Carson, fc23343@aol.com, or by txt message or a phone call to Frank (321) 704-2568. Frank will be accepting registration information up to one week before the rally, Tuesday, November 22, 2016.

Directions to Fort Christmas: Address, 1300 Fort Christmas Rd; Christmas, FL. From I-95 take exit 215 to SR-50. Head west on SR-50. Fort Christmas Rd is approximately 10 miles west of I-95. Turn right (north) on Fort Christmas Rd (look for the Christmas Tree). Go two miles north on Fort Christmas Rd, the Fort will be on your left. Pull in at entrance, bear left to go past the Visitor Center/Gift Shop, go to end of the pavement and continue straight until one of the parkers flags you into the parking area.

MOUNTAIN CRUISING IN THE AIRSTREAM

In mid-August, we decided to escape the Florida heat with a trip to the mountains. The plan was to start in the mountains of northern Georgia and end in southwestern Virginia. So we hitched the Flying Cloud to the truck, loaded the dog and freezer, and headed north. The Top of Georgia Airstream Park was our first stop in the mountains. This park is located just north of Helen, GA, and at 1950' elevation, was the beginning of the cooler weather.

Our Airstream (with flag) at Top of Georgia

There are really three camping areas within this park; two north of the brook, and one south and each has a meeting pavilion complete with comfortable swings and WiFi. Sites have level

concrete pads for the trailer tires and hitch post and a small patio (but no table). Full hookups are provided, pets are permitted, and a volunteer host supervises the park from a shelter provided for his/her Airstream near the entrance. It was about 30% occupied, mostly by the local unit members, during our 5 day visit.

Nearby, (alpine) Helen is a Bavarian style town with German restaurants and shops. The Unicoi State Park is one of the nicest state parks we have seen and is 4 miles away. It offers camping, fishing, a terrific mountain bike trail, cabins, swimming and hiking.

We then headed north through Asheville staying overnight at a nice campground just east of the city off I-40. We reached our destination the next day at a campground in Fancy Gap, Virginia, which is just 8

Our #2887 in the cool, shady, Virginia mountains

miles inside the state line. The elevation is nearly 3000' so it is cool, typically near 60°F in the morning. The upper sites, which we prefer, adjoin the Blue Ridge Parkway which is on land managed by the National Park Service. The roadway is only 500 yards away and about the only thing one can occasionally hear are the louder motorcycles cruising the parkway.

Fellow resident here to have a chat

Just down the mountain on Rt 52 is the town of Mt. Airy, home of the Andy Griffith show. Wineries are numerous in this area, but our favorite is the Shelton vineyard down in Dobson.

Along the Blue Ridge Parkway, there are two Park Service RV (semi-primitive) campsites, one at Doughton Park (around mile 240, 35 miles north of Boone) and Rocky Knob (around mile 167, 33 miles north of Fancy Gap). sites are paved, but there are no utilities. Water is available, along with restrooms, and a dump station. There were Airstreams dry camping in both parks. The resident host at Doughton Park lives in a 34' Airstream.

The Doughton site is at 3500' elevation and is just down the Parkway from the Blue Ridge Music Center which features daily, live music from local and passing musicians.

The Rocky Knob site is at 2800' elevation and has considerable hiking opportunities. It is not far from there to the Highland Haven Airstream Park (about 19 miles north). While a bit smaller than Top of Georgia, it is also equipped with full hookups, WiFi, laundry, and propane. Volunteer hosts supervise this 2700' park.

In summary, if you are looking for a bit of relief from hot weather, then the mountain elevations will provide a cool haven for you to enjoy nature in your Airstream.

SUNSHINE LIST

It is with a sad heart that I ask for prayers for Judy Martiny who's husband **Dick Martiny** lost his battle with cancer on September 1. Dick and Judy were members of the Georgia Unit. He served as 1st Vice President of Region 3 and just before becoming president had to resign because of his health.

We have several members who are ill, on chemotherapy, undergoing radiation treatments, awaiting medical procedures, and all trying hard to recover. Keep them in your prayers, and everyone travel safe, enjoy the good life, and stay healthy in the days ahead.

There were no other cares and concerns reported to your editor for this edition. Please let our Sunshine Committee Chair, Joan Carson (321) 704-2568 or fc23343@aol.com, know of anything that needs to be published here.
