

GOOD LIFE NEWS

From Our President

First I'd like to thank Brad and Janet for a great year and all the hard work they've done and continue to do for our unit. Over the past few years we've all noticed a rise in membership which I believe in part is due to the successful leadership and effort that our members have put forth. I only hope to do as well and want to thank everyone for the opportunity to serve the club as the incoming President.

I agree with Brad in saying our leadership doesn't change each year but evolves. It evolves as each member participates and shares their vision and ideas. My vision...is to have some fun! After all this is a camping club!

We have scheduled some really awesome rallies for the coming year and look forward to seeing a lot of our members in the coming months and throughout the year as we camp and share in the camaraderie of belonging to this camping club. Some of the highlights for this year will be the Cedar Key Rally, Dunedin Rally, Kayak/Canoe Rally, Stephen Foster Folk Cultural Center Rally and the Tropical Palms Resort Rally to mention a few. I look forward to seeing everyone this year as we camp our way around Florida. My only regret is I don't have the time to do more, see more and go to more places. As do some of you I still work, but juggle my time to participate in our activities and bring my daughter, Elsie, to most events as her school schedule allows. I am scheduled to go to Farmington, NM for International this year, so if any members care to caravan let me know. Looking forward to having a great year in the Florida Unit, see you down the road!

Cracker Christmas 2014

December 3 - 7, 2014; Ft. Christmas Historical Park; Christmas, FL

Early arrivals at Fort Christmas

Our last event of 2014 was another success with 15 Airstreams parked on the grounds of the Fort Christmas Historical Park in Christmas, Florida. From Wednesday to Sunday our members busied themselves with cleaning and decorating the historic buildings, positioning tables and chairs, setting up tents, pulling several hundred pounds of pork, enjoying our annual Unit dinner and officer installation, potluck dinners, happy hours, and being docents in the historic buildings.

The members that attended for the weekend with their Airstreams were: Joan & Frank Carson, Susan & Tom Thompson, Dale & Janis Edwards, Whit & Marilyn Blasdell, Randy & Pat Godfrey, George & Pam Millis, Dave & Betty Wenger, Al & Grace Buchanan, Jeff & Mary Krabel, Ron & Chris Allen, and grandson Jarred, Frank & Donna Rothery, Charles & Jackie Whittington, Roland & Nancy Christians, Ed & Jean Bland, and Ron & Susan Wright. Joining us on Thursday or Friday evening for the dinner or happy hours were: Brad McGloin, Pat & Patty Reed-Reimer, Tim & Alice Wymer, and Tex & Betty Ritter.

This rally was a free rally for all Florida Unit members (full and affiliate). The only charge was the attendant food contributions (there were plenty of those), and being willing to help out the park staff with the weekend craft and history festival. A good time was had by all.

More pictures are on page 5.

2015 ALL FLORIDA RALLY; MARCH 3 – 8, 2015; ST. JOHN'S COUNTY FAIRGROUNDS; ELKTON, FLORIDA

Welcome to the 50th year of the Florida State Rally. Every second year we will move the rally from the Keys to Saint Augustine. This year it is in Elkton, Florida at the St. John's County Fairgrounds, on Route 207, 10 miles from Saint Augustine.

Based on two people per Airstream, the rally fee of \$220.00 per trailer will include parking with a minimum of 20 amp electric and water. There is a dump station on the grounds. Everything is included in your fee, no extras. You will have use of the trolley in Saint Augustine for 3 days, which also includes free downtown parking. We will cruise on the Matanzas River with a private guide explaining all the sights. There will be nightly entertainment from the period of the oldest continually occupied city in the country. We will have a dinner catered by Boston Market on Saturday evening.

Airstream Inc. will be on the grounds doing seminars. JD Sanders Airstream will have a trailer display. Jack Wilson Chevrolet will also be on the grounds with a truck display as well as doing a towing seminar.

This is a wonderful time to be in Saint Augustine when everything is starting to bloom. If you do not want to walk, take the trolley, getting on and off as you wish. On our first day, we will have a private tour of Old Saint Augustine given by the experi-

enced tour guides on the trolley. After the tour you can either be taken back to your vehicle or you can stay in town for some shopping or just sightseeing. The sightseeing boat cruise on the Matanzas will take you from the mouth of the inlet to the lighthouse. Your captain will be pointing out the sights like the Castillo. Seeing sights from the

water gives a whole new perspective of the old city

The fairgrounds have modern rest rooms with showers. All entertainment will be under cover in the enclosed pavilion. We are limited to 250 Airstreams. We have 20, 30 and some 50 amp electric available on a first come first serve basis. The 20 amp electric is good enough to run your air if needed.

Each person will need one chair and one snack table to help keep the cost down as the fairgrounds does not supply these items. Always carry extra electric extension cords and water lines. Coffee will be supplied each morning to start your day. Please arrive with full fresh water and empty holding tanks.

Look for a sign-up coupon in the back of this newsletter. Dan and I look forward to seeing you at the Florida State Rally, a WBCCI sanctioned rally, this coming March.

MEMBERSHIP NOTES

Tom and Jeanne Scheitler

After their September wedding, we heard that they bought a home in Northern Georgia.

Ed & Jean Bland

We enjoyed meeting everyone at Cracker Christmas. Many of you heard our tale of buying and selling Airstreams over the past year. It started with a Touring Coach that we decided was unsuitable for us, and at Cracker Christmas we had a 2015 25-foot FB that I liked very much. Well we have traded again. We are now the owners of a 2005 32-foot gasoline land yacht. The owner had to sell because of illness, but as with most Airstreams, the owner really looked after it. We should get it by the end of the month, and I hope it works for us—think it will. Once we get it, we will likely register for the All Florida State Rally.

IN SYMPATHY

These last few months have been difficult for many of our Unit members:

We learned that Earl Trask's son-in-law passed away.

Patsy Barr wrote to say, "On our way back home after seeing my sister in Texas, my brother-in-law called us on Nov 4 to tell us that my older sister, Betty, stopped breathing and died. It was a shock in that we did not anticipate her dying that soon. But, her prognosis was such that it was also a blessing. I will miss her."

Rolland and Nancy Christians let us know that, "We just returned from Boston, where Nancy's daughter Lisa, passed away on November 8th, and we buried her on November 12th. She was 52, and had a long struggle with cancer."

Randy and Pat Godfrey were at Cracker Christmas on Sunday December 7th when they learned that Randy's sister in Michigan had passed away unexpectedly. "She was diagnosed with rectal cancer in 2013 but appeared to be in recovery. We had just seen her in October after attending the Sugarcreek, OH rally. What we didn't know was that her prognosis wasn't good from the start, and after our October visit, she slowly slipped away. She was 65."
